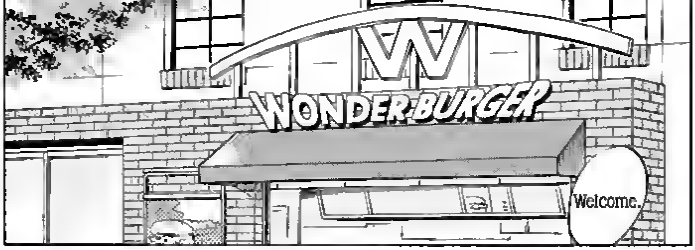
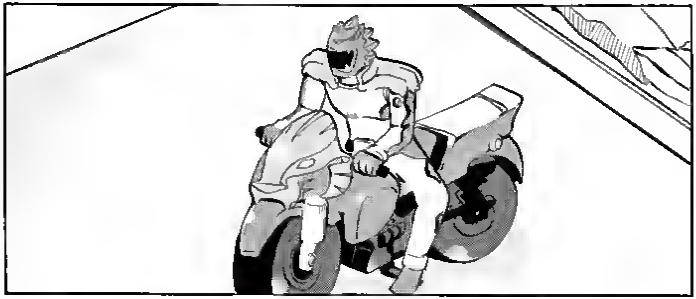
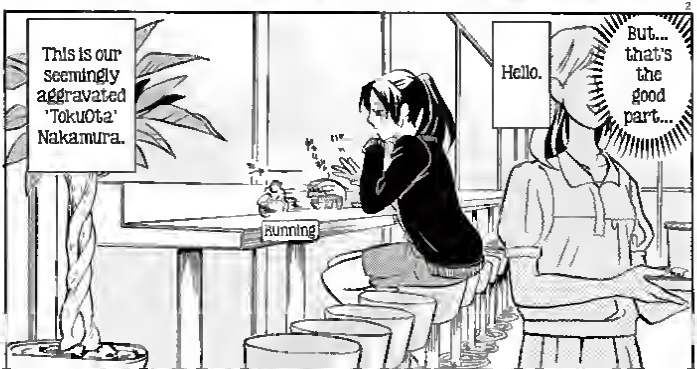
第7話 Chapter 7: Flame Formation Arms: Volcano Attack!!



WONDER BURGER
Welcome.

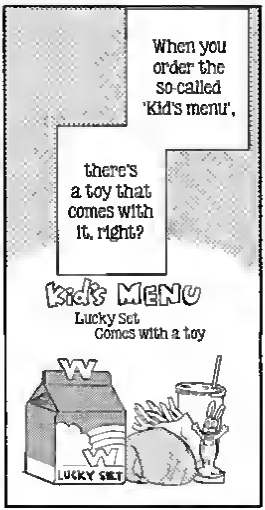


Aghh...
This is sucky quality... way too sucky...
What an awful figure this is...

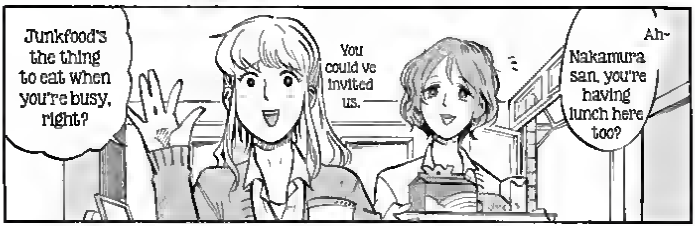


This is our seemingly aggravated 'TokuOta' Nakamura.
Hello.
But... that's the good part...
Running

Such low quality in these times... feels like a rush job...
So, she was persuaded by the toy and ordered it on a whim.
just about everything's a waste but I still want it. What kind of magic is this...



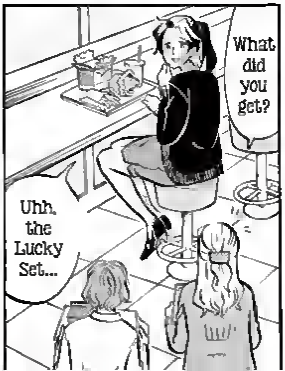
When you order the so-called 'kid's menu',
there's a toy that comes with it, right?
Kid's MENU
Lucky Set
Comes with a toy
LUCKY SET



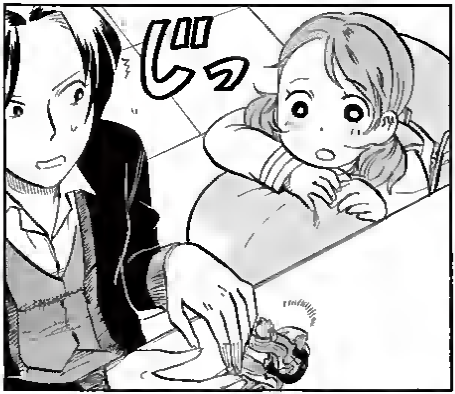
Junkfood's the thing to eat when you're busy, right?
You could've invited us.
Ah~
Nakamura-san, you're having lunch here too?

3

There are a number of girls who don't need the quantity,
so it's also relatively charming to be able to confidently order a kid's meal.
Me too.
Yes



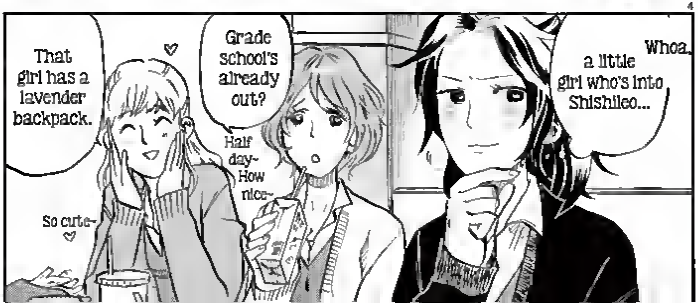
What did you get?
Uhh, the Lucky Set...



しゅっ

But you sure got a weird toy with that.
Oh, you could've just said no.
Right, Nakamura-san?
ビクッ
Sure.
I can't say that the toy was my goal.

I want the Lucky Set. The one that comes with a toy!!
We'll split it.
Manami, what do you want?



That girl has a lavender backpack.
So cute~
Grade school's already out?
Half day~ How nice~
Whoa, a little girl who's into Shishileo...

Now please pick the toy you want in the Lucky Set.
I wonder if that's the case.

We only had black and red when we were that age.
Kids nowadays have it nice since they can pick whatever now.

Uh... the Love Cute one.
Okay.
Hmm?

5

No mama. Mana wants this one!
Wait mom...
Uh. really?

Uh.
Ok Man ami.
Hey.
Hey.

But this one's nice!

It's uncool.

You don't watch this.

Besides

You're wrong, mom! The real thing is even cooler.

But that's something for boys, right?

That's right.

In general,

the lineup for these sort of toys are usually divided into 'for boys' and 'for girls'.

For girls
Lovely Charm
4 different ones

For boys

Runi Machine series!
4 different ones

Your friends all have Love Cute.

Just take it.

No!!

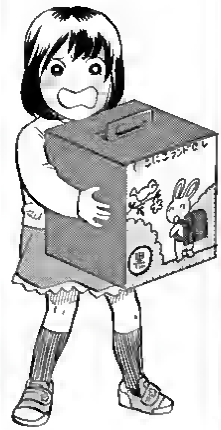
Now take this one!

にこにこランドセル

All the girls have red ones.

No! I want black!

Give me a break Kano.



よみがえる思い出...

Before, Nakamura

was the kind of girl who wanted the black backpack.

No, no.

Why don't you want it?

If you have the same one, you can play with everyone else.

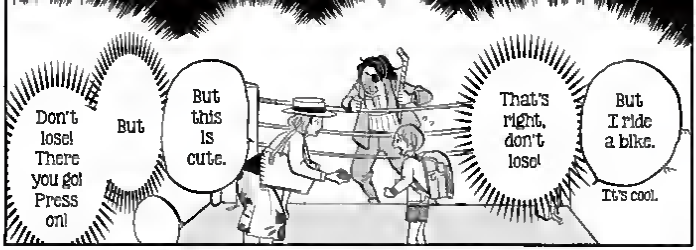
Just let her pick...

Keep at it!!

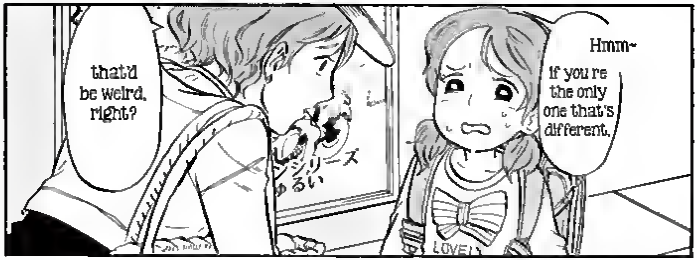
Nakamura-san?

Greatness

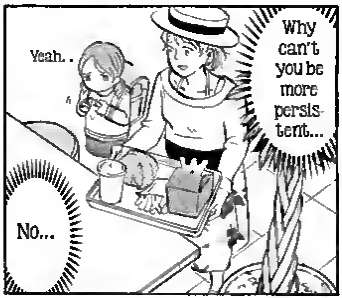
You can't lose, little girl! Praise Shishileo's greatness!



Don't lose! There you go! Press on!
But
But this is cute.
That's right, don't lose!
But I ride a bike.
It's cool.



that'd be weird, right?
シリーズ ゆるい
Hmm~
If you're the only one that's different.

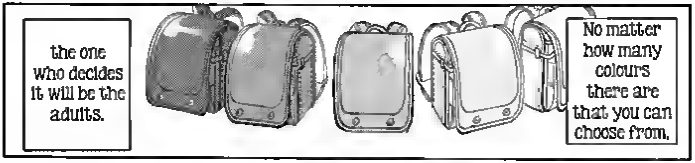


Yeah..
Why can't you be more persistent...
No...

Little guuirrlll!
カシャカシャ
...then... I'll have that...
Nakamura-san?
ドムッ

Poouut~
I can't say that in the end since I had the red backpack...
Hey, red's okay, right? It suits you, so just accept it. I'm glad we went with red.
You can't keep pouting forever, just accept it.

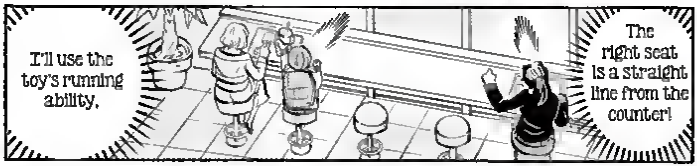
Why don't you like this one?
It's just a different colour, right?
It'd be weird if you're the only one who's different, right?
You'll get bullied, okay?



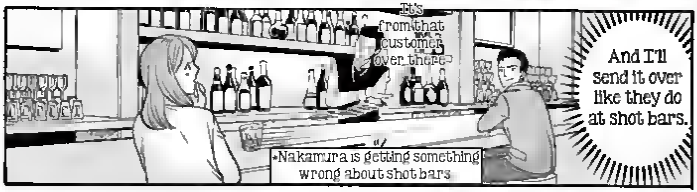
the one who decides it will be the adults.
No matter how many colours there are that you can choose from,

So-
Okay.
Take the red one...
Kids don't have a big lexicon, and they're small--
It's really, really impossible to defeat the big and clever adults...

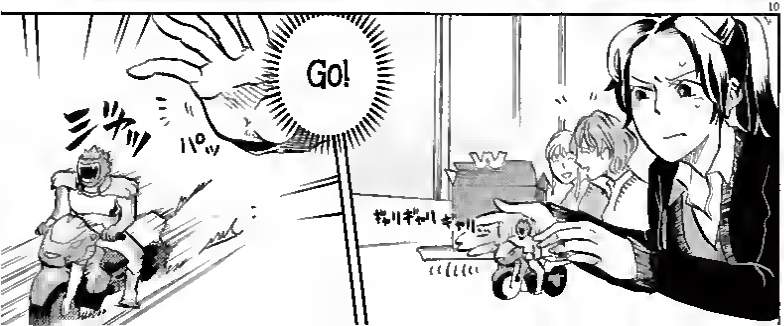
Shishileo and Ridelaioh:
Shishileo
Shishileo's machine
Ridelaioh
Go over to where that little girl is!!



I'll use the toy's running ability.
The right seat is a straight line from the counter!



It's from that customer over there.
And I'll send it over like they do at shot bars.
•Nakamura is getting something wrong about shot bars.



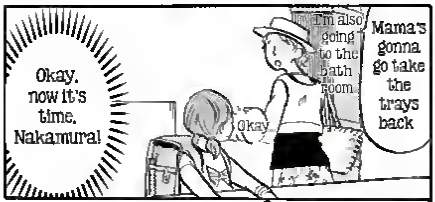
Go!

Flame formation arms: Volcano Attack!!
This is just for effect. No flames actually come out of the toy.

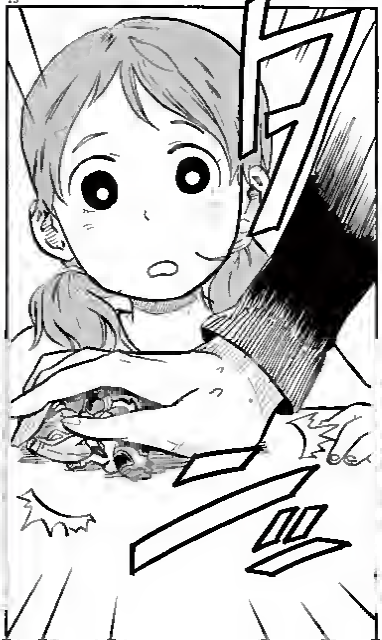
What an incredible run!
How much strength did I use? They put in great effort when making this!
Did something pass us just now?
Heeeey!
-End-
Nakamura-san, our lunch break's gonna end.
Uugh
It's not like the little girl really wants it...
And it's badly made.
It's only an extra.
Well, then let's go.
Man-ami, are you done eating?
Aghh.
That was fast. Hey!

That's not the issue!

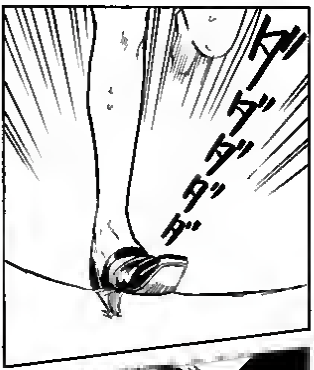
And yet!
Uh,
I'll go wash my hands.
so go ahead.
Hurry up!
The chief's gonna give you an earful



Okay, now it's time, Nakamura!
Okay
I'm also going to the bath room.
Mama's gonna go take the trays back

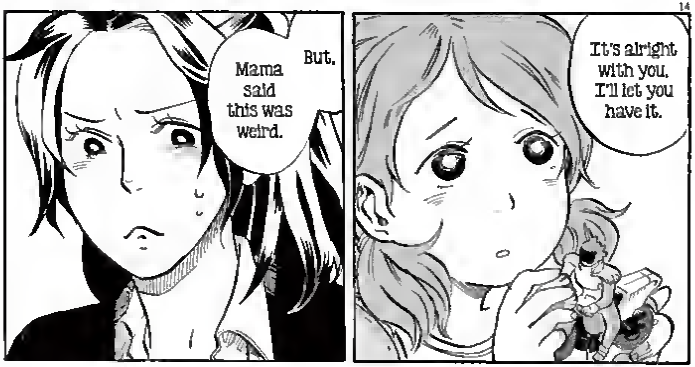


トン

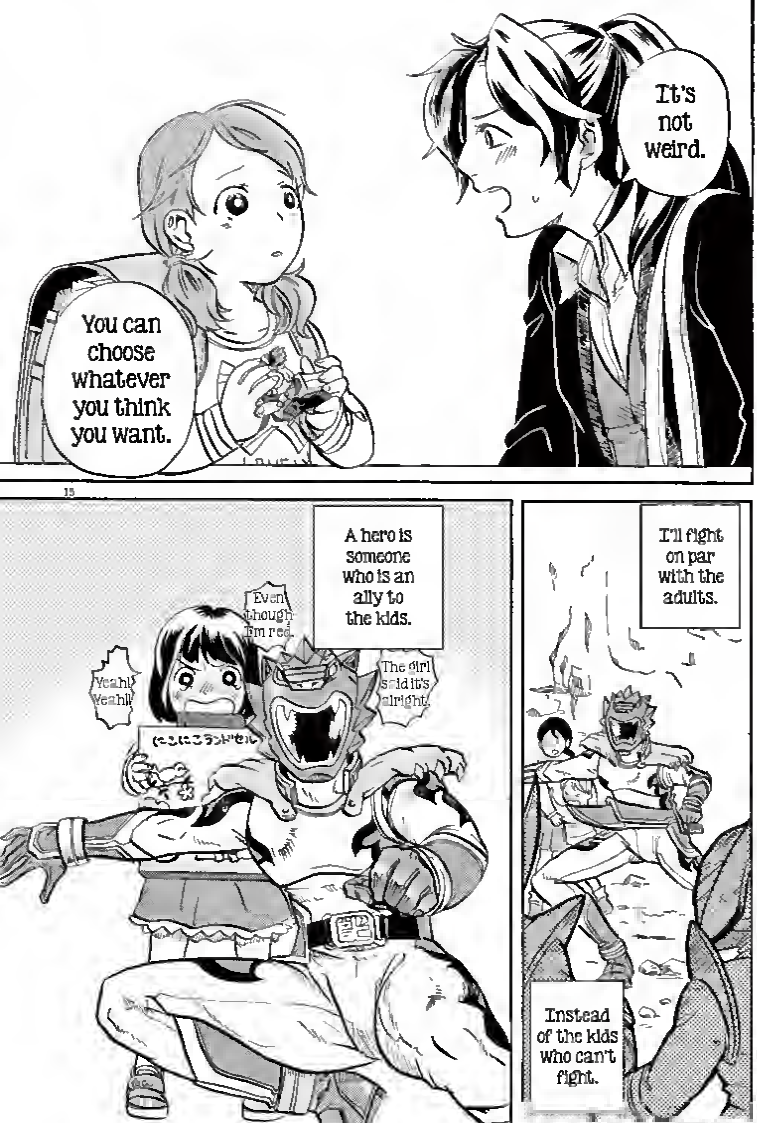


ダダダダダ

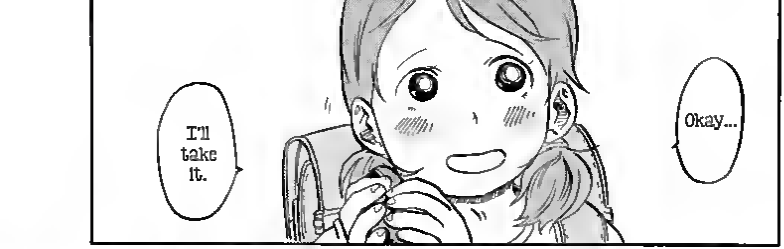
The little girl was me, once upon a time.
There's no way I can let this go!!
Here.
I don't need this, so you can have it.

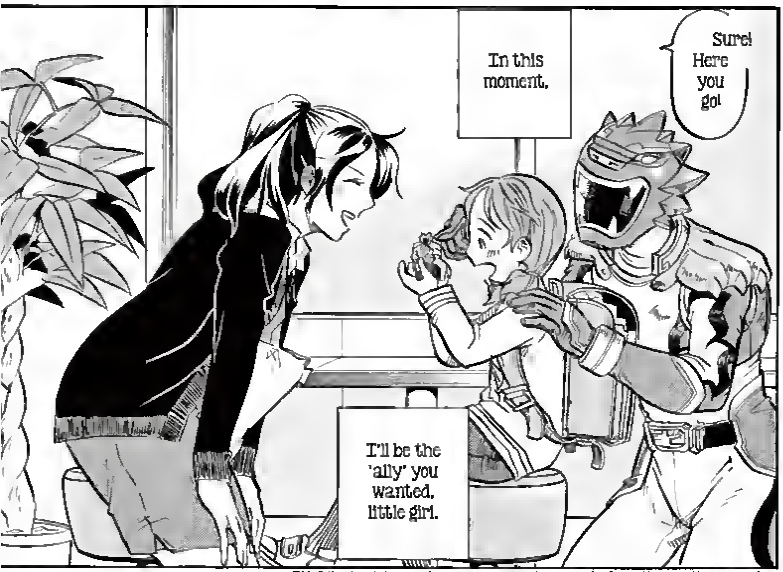


But, Mama said this was weird.
It's alright with you. I'll let you have it.

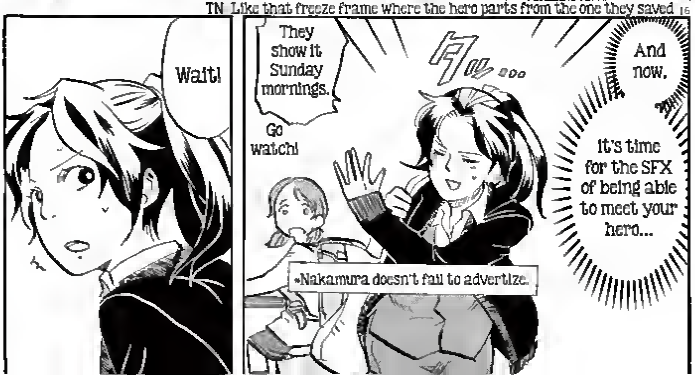


It's not weird.
You can choose whatever you think you want.
A hero is someone who is an ally to the kids.
Even though I'm red.
Yeah! Yeah!
The girl said it's alright.
I'll fight on par with the adults.
Instead of the kids who can't fight.





TN: Like that freeze frame where the hero parts from the one they saved. [6]

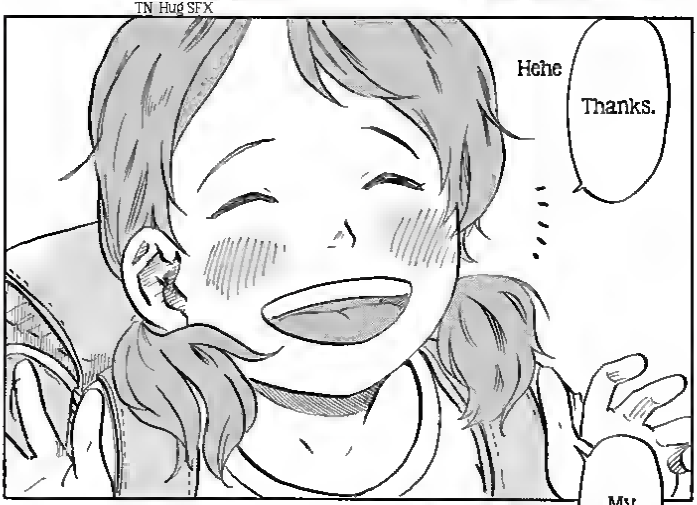


Wait!
They show it Sunday mornings.
Go watch!
And now,
It's time for the SFX of being able to meet your hero...
*Nakamura doesn't fail to advertize.

ぎゅ
むっ

Get down, get down.

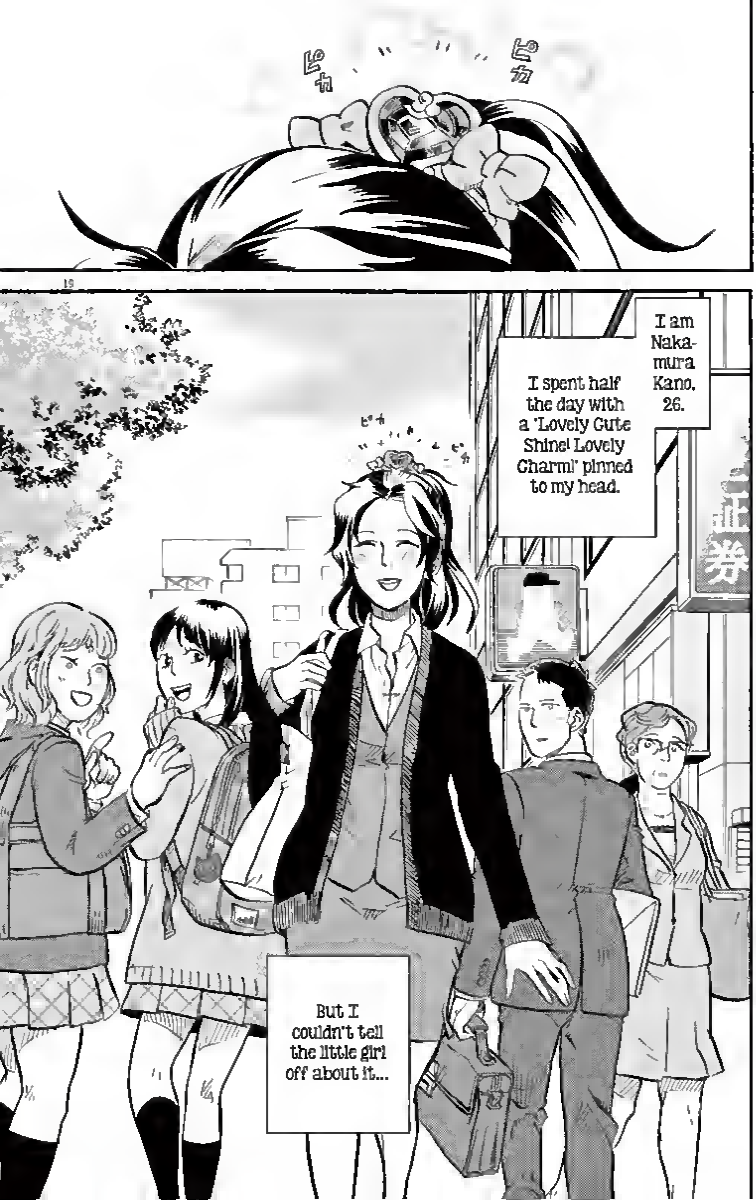
TN: Hug SFX



Hehe
Thanks.
...

My gift.
Whoa
Beat
Beat
Beat~

1
I should do my best this afternoon as well...
Her smile is so cute
I hope... you grow up as you see fit, little girl...
In-deed.
No no, I got too happy about the little girl's hug.
and I was wondering at how considerate the little girl was.
twinkle
At this moment, I thought the hug I got was the 'gift'.
Bye bye.



ピカ
ピカ
I am Nakamura Kano, 26.
I spent half the day with a 'Lovely Cute Shine! Lovely Charm!' pinned to my head.
But I couldn't tell the little girl off about it...
